*SL25 BIM content*

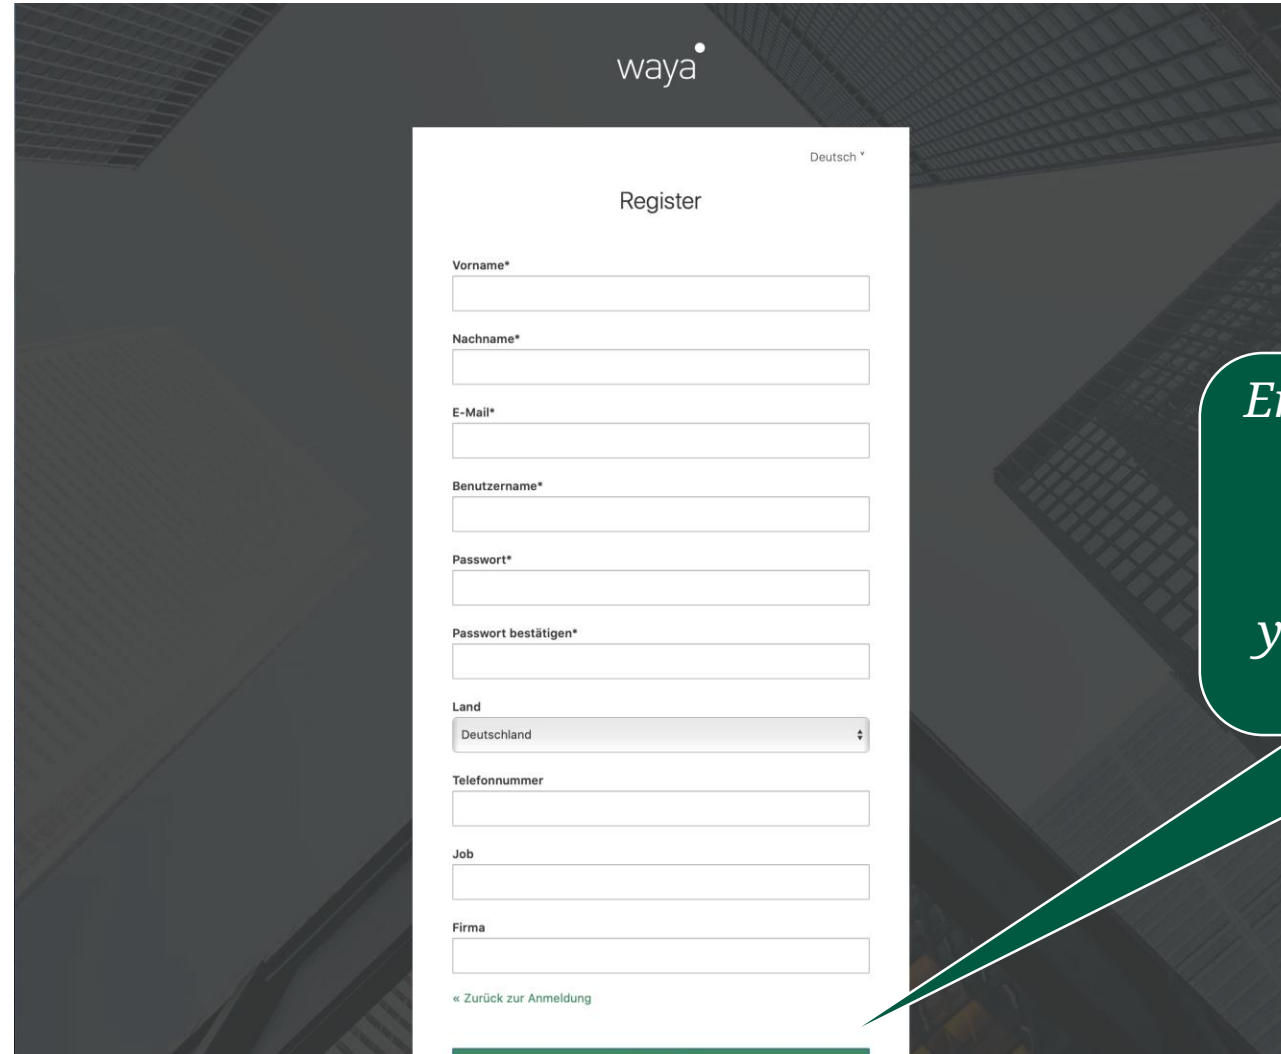

*<https://waya.bimsystems.de/>*

The screenshot shows the waya login interface. At the top center is the 'waya' logo. Below it, the word 'Anmelden' is centered. To the right of 'Anmelden' is a language dropdown menu set to 'Deutsch'. The form contains two input fields: 'Benutzername oder E-Mail' and 'Passwort'. Below the password field is a checkbox for 'Angemeldet bleiben' and a link for 'Passwort vergessen?'. A green 'Anmelden' button is positioned below the form. At the bottom of the form, there is a link for 'Neuer Benutzer? Registrieren'. A dark green speech bubble with white text points to the 'Registrieren' link, containing the text 'Register for a waya account.'. Below the login form, there is a lightbulb icon and the text 'Nutzen Sie waya direkt in Ihrem CAD-System!'. A 'Plugin herunterladen' button is located below this text. The footer of the page includes the BIM [systems] logo on the left, the copyright notice '© 2019 BIMsystems GmbH' and a link to 'Impressum' on the right.

*Register for a waya account.*

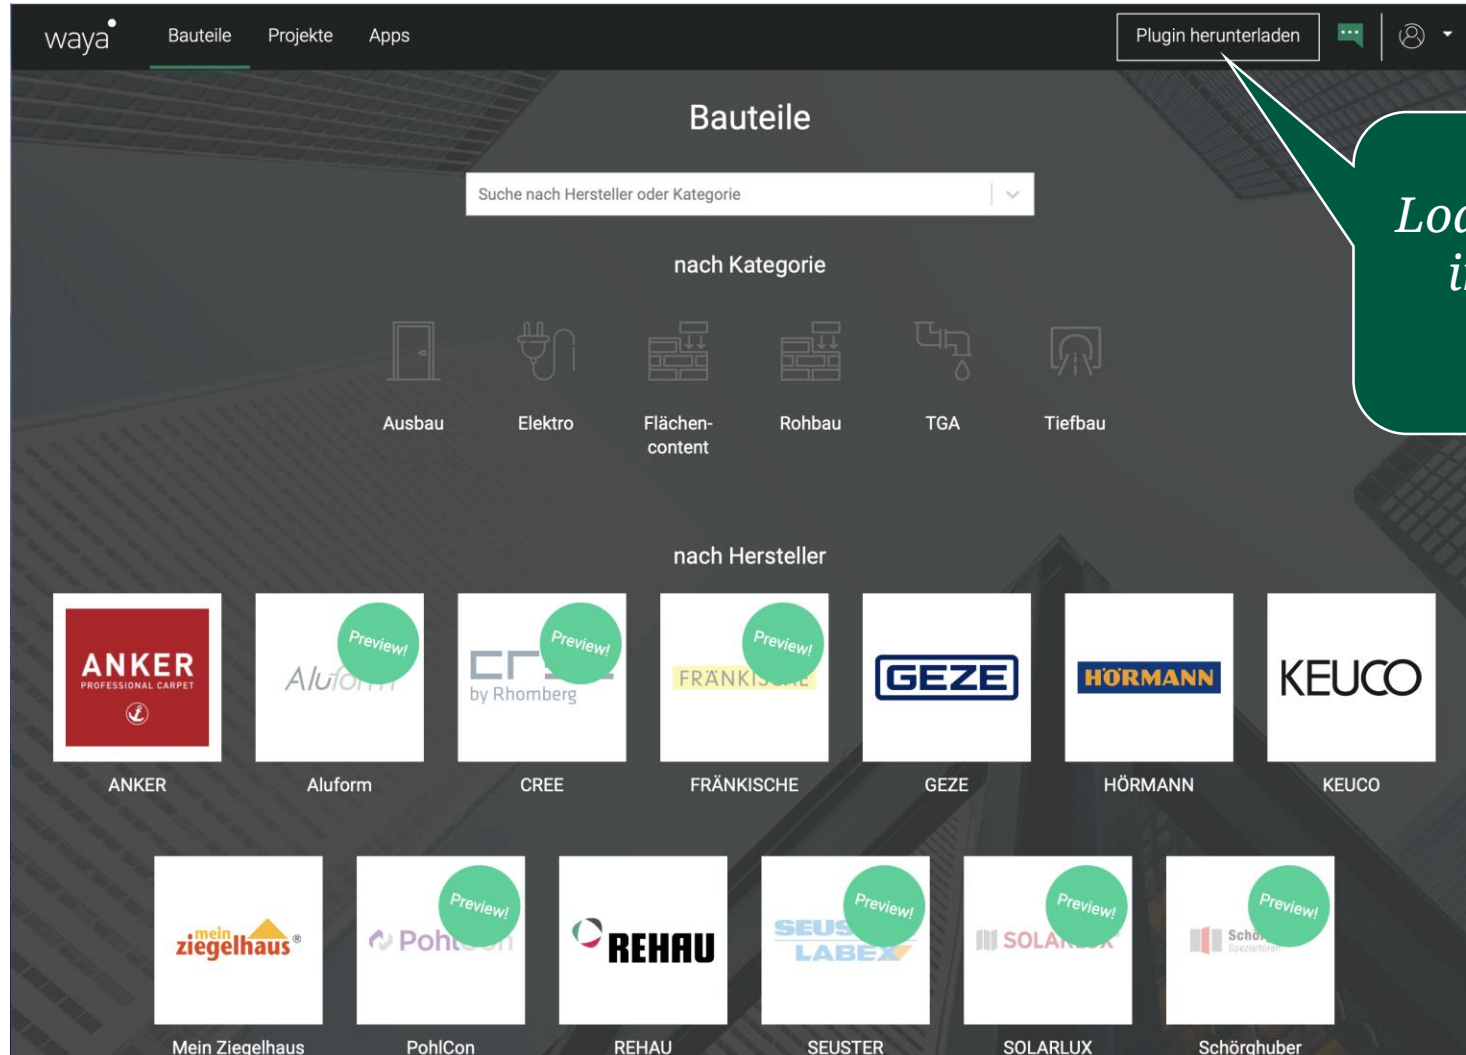

# Creating a new waya account

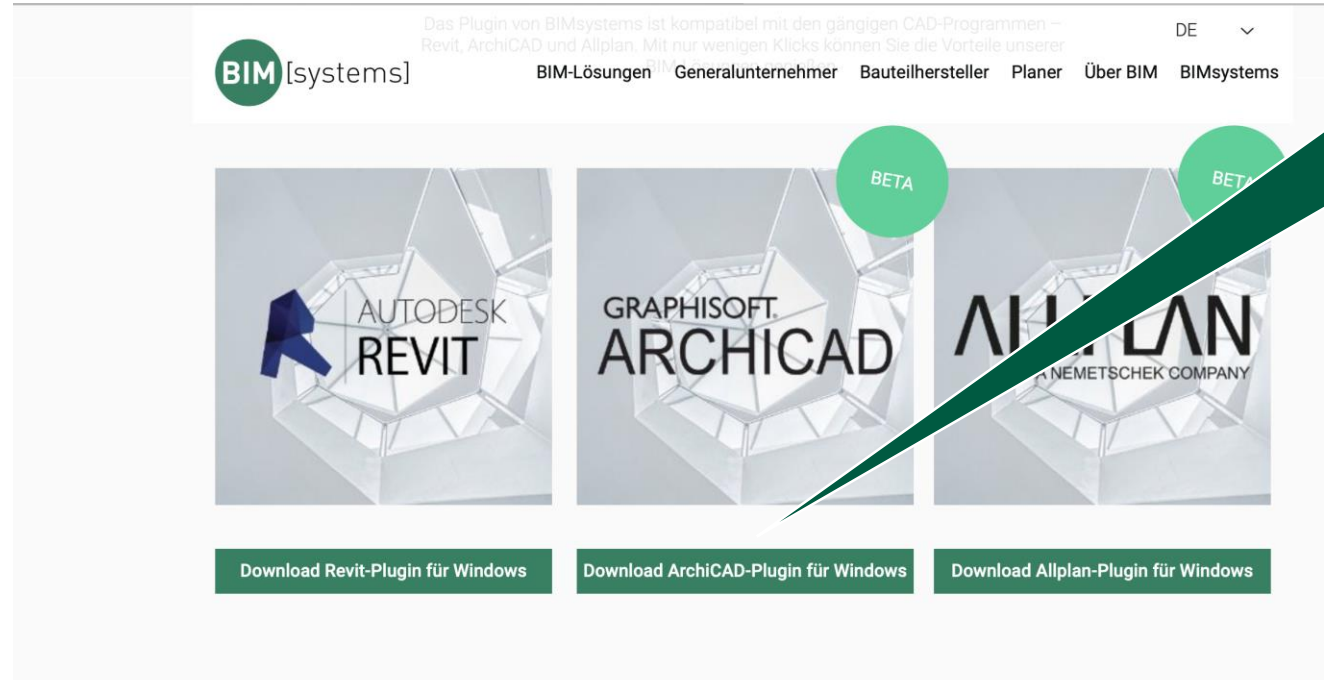

The image shows a registration form for the 'waya' system. The form is titled 'Register' and is set to 'Deutsch'. It contains several input fields for user information: Vorname\*, Nachname\*, E-Mail\*, Benutzername\*, Passwort\*, and Passwort bestätigen\*. There is also a dropdown menu for 'Land' (currently set to 'Deutschland'), and text input fields for 'Telefonnummer', 'Job', and 'Firma'. At the bottom left of the form, there is a link: « Zurück zur Anmeldung ».

*Enter all the necessary information and respond to the confirmation email you will subsequently receive.*

# Opening the CAD plug-in downloads page

# Downloading the CAD plug-in

Das Plugin von BIMsystems ist kompatibel mit den gängigen CAD-Programmen – Revit, ArchiCAD und Allplan. Mit nur wenigen Klicks können Sie die Vorteile unserer BIM-Lösungen genießen.

# Example: Using the ArchiCAD waya plug-in

# Finding SOLARLUX products

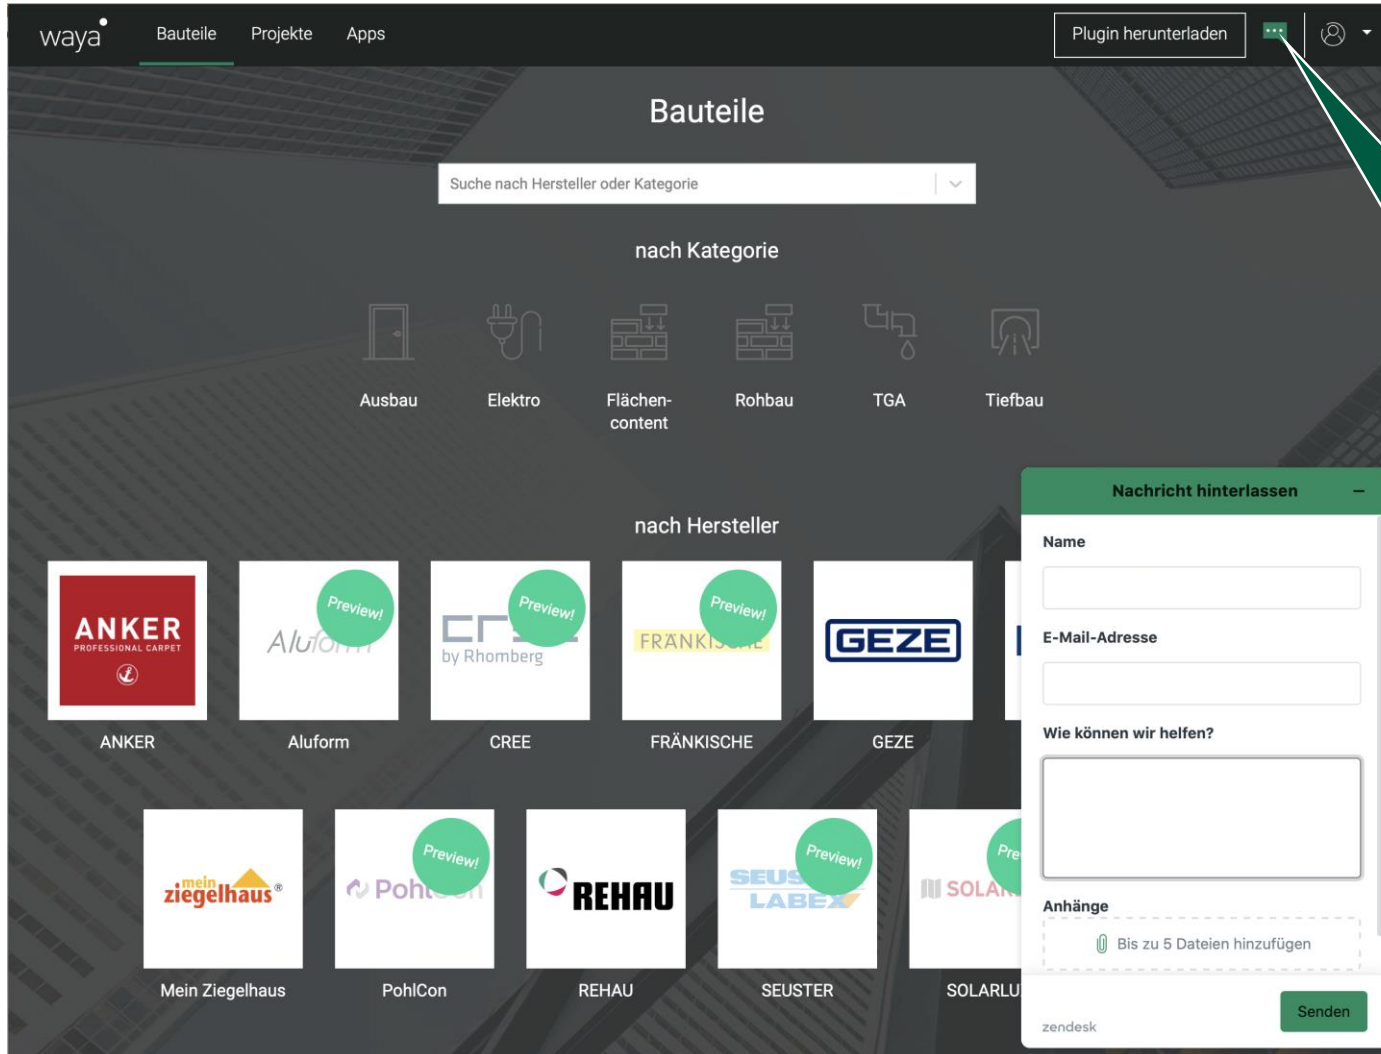

*Navigate to the SOLARLUX products.*

*Note: The BIM content is available in German and English. Your CAD system must support at least one of these languages.*

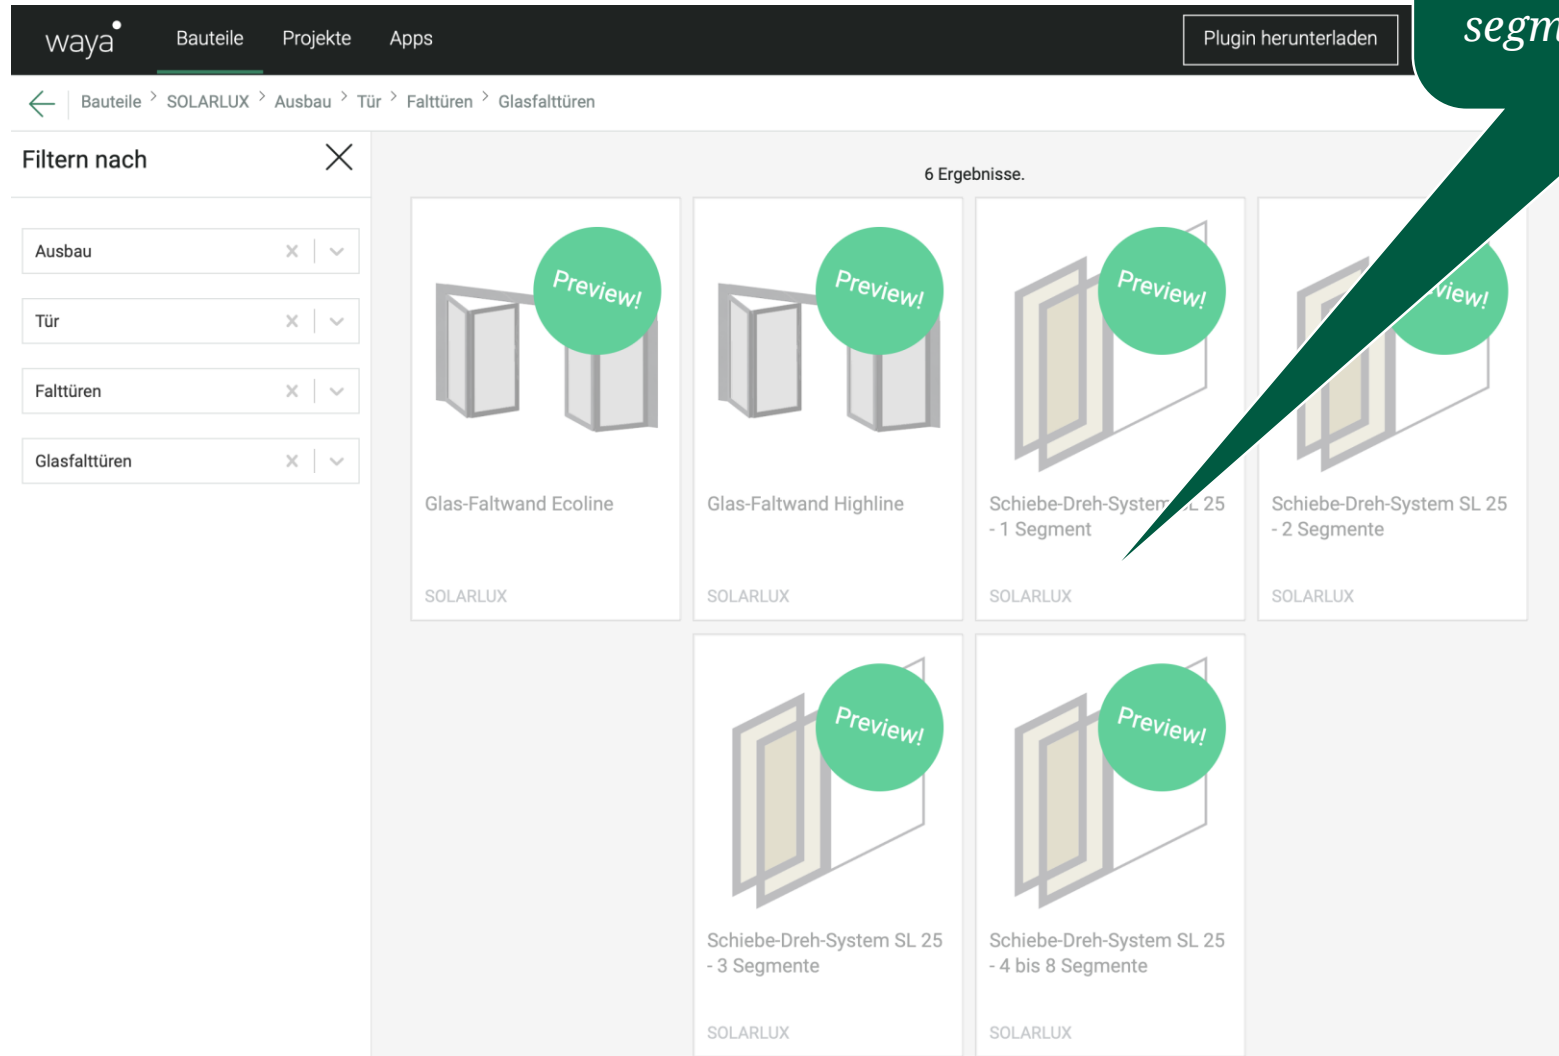

# Providing feedback and requesting support

The screenshot shows the 'waya' website interface. At the top, there are navigation tabs for 'Bauteile', 'Projekte', and 'Apps'. A 'Plugin herunterladen' button is visible in the top right corner. The main content area is titled 'Bauteile' and features a search bar 'Suche nach Hersteller oder Kategorie'. Below this, there are category icons for 'Ausbau', 'Elektro', 'Flächen-content', 'Rohbau', 'TGA', and 'Tiefbau'. The 'nach Hersteller' section displays a grid of manufacturer logos, including ANKER, Aluform, CREE, FRÄNKISCHE, GEZE, Mein Ziegelhaus, PohlCon, REHAU, SEUSTER, and SOLARLUX. A 'Nachricht hinterlassen' contact form is overlaid on the right side of the page, containing fields for 'Name', 'E-Mail-Adresse', and 'Wie können wir helfen?'. A 'Senden' button is at the bottom right of the form. A green callout bubble points to the 'Plugin herunterladen' button with the text 'Click here to open the contact form.'

# Selecting a specific product

Select the appropriate version of the SL25 based on the number of segments you require.

The screenshot shows a web interface for selecting a product. At the top, there is a navigation bar with 'waya' logo, 'Bauteile', 'Projekte', and 'Apps' tabs, and a 'Plugin herunterladen' button. Below the navigation bar, a breadcrumb trail reads: 'Bauteile > SOLARLUX > Ausbau > Tür > Falttüren > Glasfalttüren'. A 'Filtern nach' sidebar on the left contains four filter categories: 'Ausbau', 'Tür', 'Falttüren', and 'Glasfalttüren', each with a close button and a dropdown arrow. The main content area displays '6 Ergebnisse.' and a grid of six product cards. Each card features a 3D preview image with a green 'Preview!' callout. The products are: 'Glas-Faltwand Ecoline', 'Glas-Faltwand Highline', 'Schiebe-Dreh-System SL 25 - 1 Segment', 'Schiebe-Dreh-System SL 25 - 2 Segmente', 'Schiebe-Dreh-System SL 25 - 3 Segmente', and 'Schiebe-Dreh-System SL 25 - 4 bis 8 Segmente'. Each card also includes the 'SOLARLUX' brand name at the bottom.

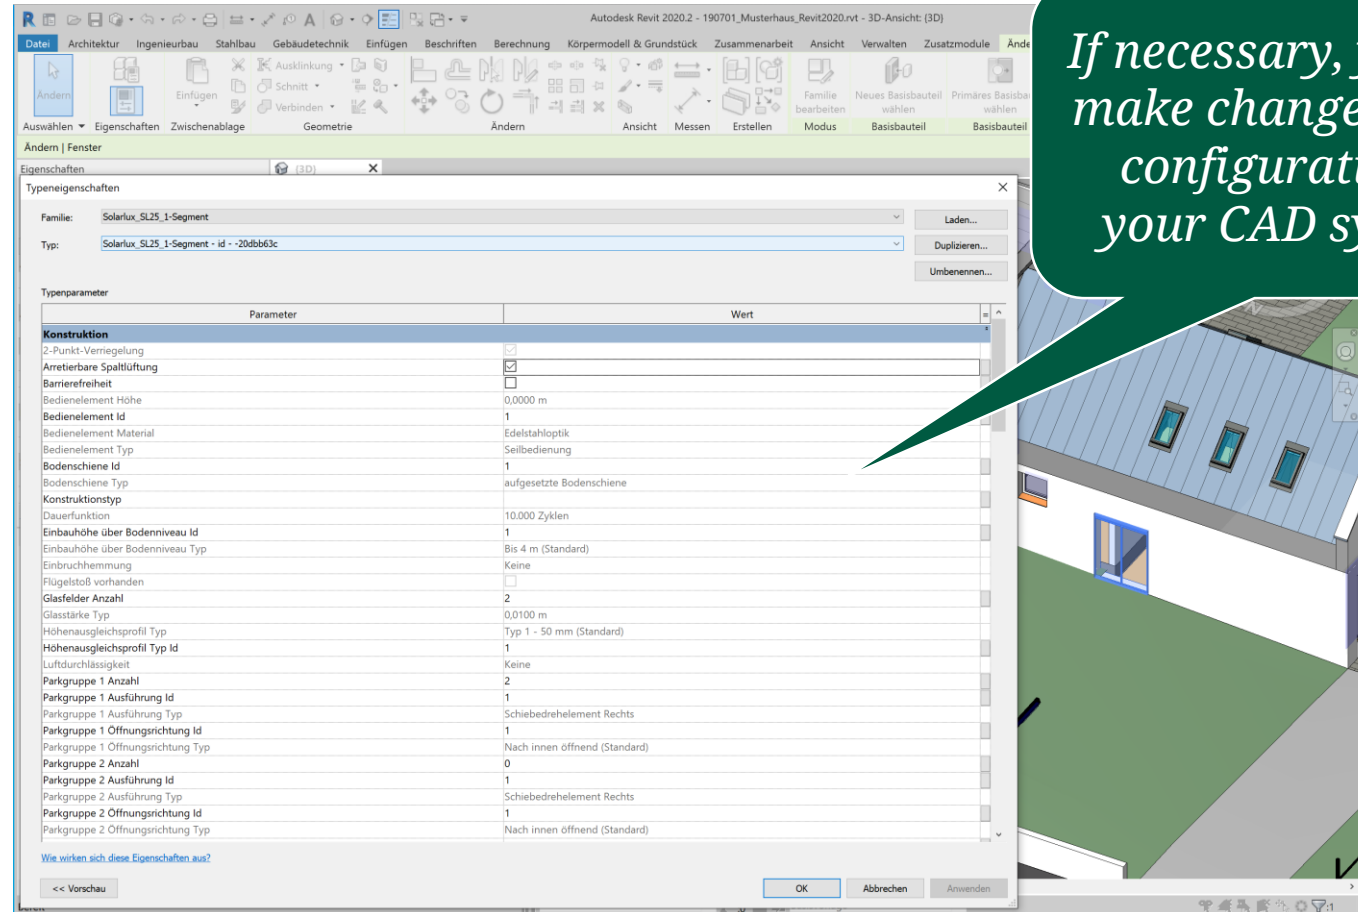

# Product configuration and download

A screenshot of the 'waya by BIMsystems' web application. The browser window title is 'waya by BIMsystems'. The navigation bar includes 'Bauteile', 'Projekte', and 'Apps'. The breadcrumb trail shows 'Bauteile &gt; SOLARLUX &gt; Schiebe-Dreh-System SL 25 - 1 Segment'. The main content area is titled 'Schiebe-Dreh-System SL 25 - 1 Segment'. It features a 3D perspective illustration of a window frame on the left. To the right, there is descriptive text: 'Schiebe-Dreh-System SL 25', 'Optimaler Schutz', and 'Das Ganzglas-Schiebe-Dreh-System bietet hervorragenden Schutz für Balkon und Terrasse.' Below this text is a 'Hinzufügen zu...' button. Further right is the SOLARLUX logo and a 'Hersteller kontaktieren' button. Below the main content, there are tabs for 'Allgemeine Angaben', 'Parkgruppen', 'Anforderungen', and 'Hauptkomponenten'. The 'Allgemeine Angaben' tab is active, showing a 'Identifikation' section with fields for 'Hersteller' (SOLARLUX), 'DIN 276 Kostengruppe' (334), and 'URL' (www.solarlux.com). A 'Konstruktion' section is partially visible at the bottom. At the very bottom of the page, there are three buttons: 'Validieren', 'Werte zurücksetzen (0)', and 'Platzieren'.

*Configure the product and download it into your CAD system.*
